SMITHFIELD, ROMANIA Timisoara

SMITHFIELD Romania

Smithfield's worldwide mission is to operate as a responsible and respected food industry leader by providing fresh and healthy meat products to millions every day, while having a positive impact on the communities in which we live and work.

In Romania, they are revitalising the Romanian pork meat industry by producing at a local level high quality meat and setting industry standards. They are a trusted supplier of healthy meat products, reliable business partner and a good neighbour.

At **Smithfield Prod**, they are guided by their commitment to excellence when it comes to the safety of products. Smithfield Prods has built a strong team that applies an exceptional focus on every detail of their operation to ensure that all of their products are always of the highest quality.
